PASSENGER VEHICLES

TATA
SIERRA
escape mediocre

It opened minds to the art of dreaming.
It redefined what owning a car could mean -
bold, aspirational, unforgettable.
Sierra was not just driven.
It was admired. Desired. It was extraordinary.
Now, the legend returns.
Reimagined for a new era.
Sharper in design.
Richer in detail.
More iconic than ever.
For those who've arrived.
And now seek to arrive differently.
For those who refuse to blend in -
because they've earned the freedom not to.

TATA
SIERRA
escape mediocre

reddot winner 2025

When design dares to escape the ordinary, the world takes notice

The most prestigious design competition, Red Dot, awarded Sierra for its bold and ground-breaking design. Since 1955, Red Dot has set global benchmarks in design and innovation. This year, an international jury unanimously crowned Sierra with this distinction, outshining global rivals.

It stands as the first car in India to be recognised by Red Dot, an iconic feat by an SUV that redefines what's possible.

ELECTRONIC PARK BRAKE

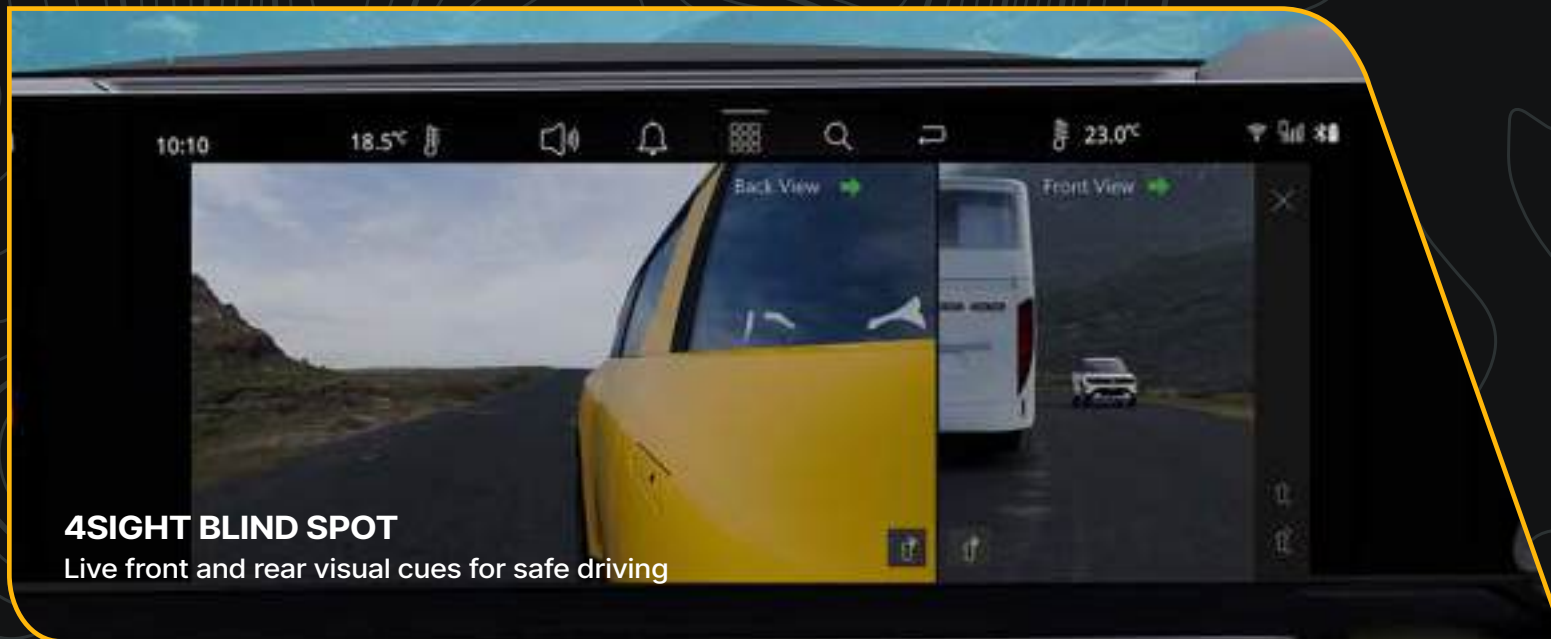

Leave the hassles behind. A single tap engages the park brake with precision

ADAS L2+ WITH 22 KEY FEATURES

The L2+ ADAS suite, enhanced with Intelligent Speed Assist (ISA), offers 22 advanced driver assistance features:

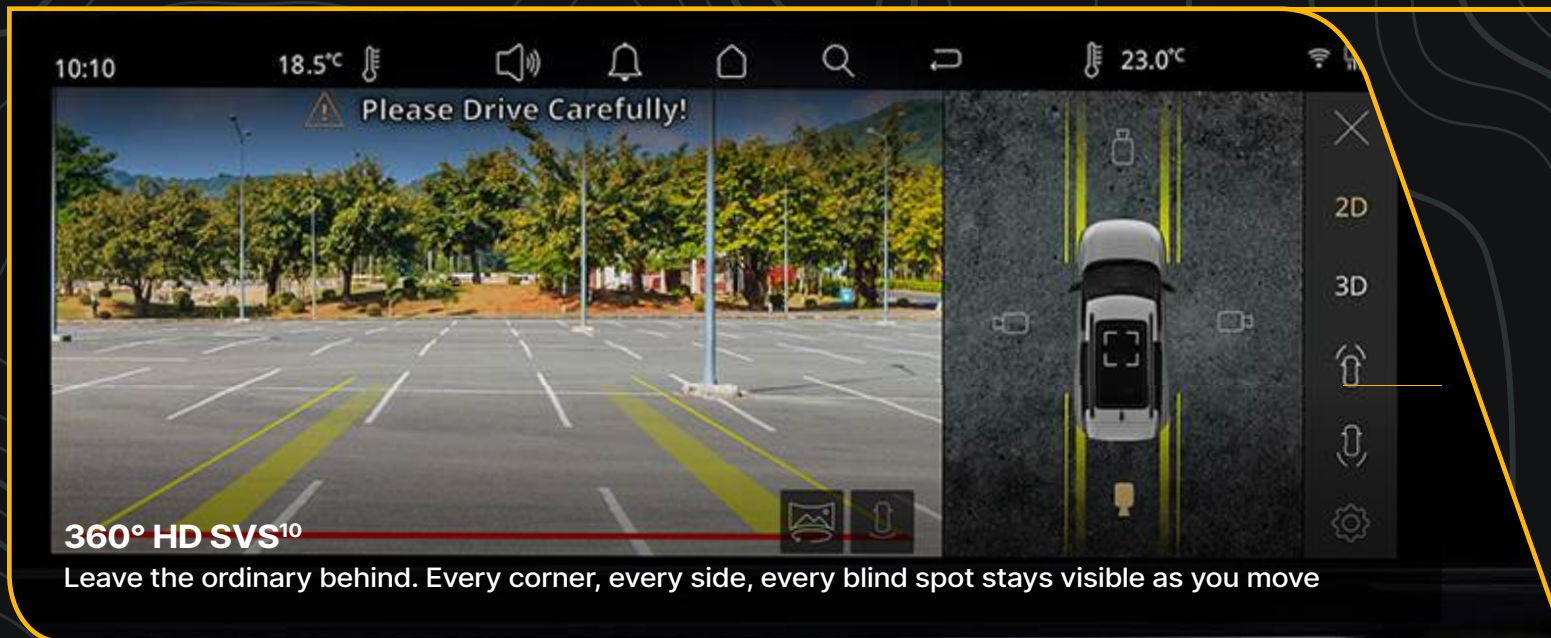

- ISA (TSP) - Intelligent Speed Assist with Traffic Sign
- ISA (Map) - Intelligent Speed Assist with Map
- BSD - Blind Spot Detection
- LCA - Lane Change Alert
- RCTA - Rear Cross Traffic Alert
- RCW - Rear Collision Warning
- DOA - Door Open Alert
- BSM - Blind Spot View Monitor
- OSA - Over Speed Alert
- ACC - Adaptive Cruise Control with Stop & Go
- FCW - Pedestrian: Forward Collision Warning
- FCW - Car: Forward Collision Warning
- FCW - Cyclist: Forward Collision Warning
- LDW - Lane Departure Warning
- LKA - Lane Keep Assist
- LCS - Lane Centering System
- ASA - Adaptive Steering Assist
- HBA - High Beam Assist
- TSR - Traffic Sign Recognition
- AEB - Pedestrian: Autonomous Emergency Braking
- AEB - Car: Autonomous Emergency Braking
- AEB - Cyclist: Autonomous Emergency Braking

4SIGHT BLIND SPOT
Live front and rear visual cues for safe driving

FRONT PARKING SENSORS
Navigate tight spaces with confidence and ease

360° HD SVS¹⁰
Leave the ordinary behind. Every corner, every side, every blind spot stays visible as you move

AUTO DIMMING IRVM
Effortless glare control

ELECTRONIC STABILITY PROGRAM (ESP) WITH 21 FEATURES

Keeping every turn, bend & sudden move under control

escape hesitation. drive **assured**

6 AIRBAGS

Break past the bare minimum. Six standard airbags wrap the cabin in real protection

HILL ASCENT & DESCENT CONTROL

Advanced control that keeps you steady uphill and composed downhill

SOS (E-CALL / B-CALL)

Help is just a call away, anytime, anywhere

ISOFIX

Secures what matters most, your younger ones, your peace of mind

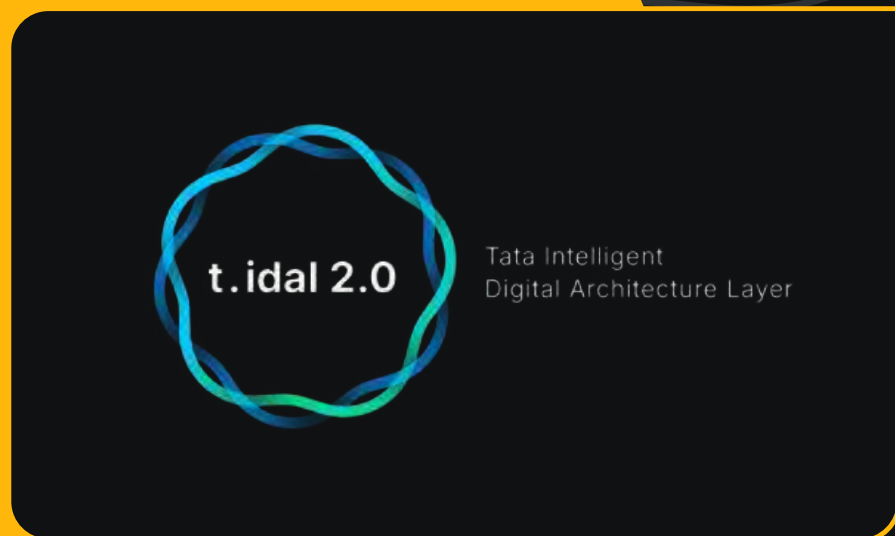

ALL WHEEL DISC BRAKES

Precise, confident braking everytime

MULTIPLE VOICE ASSISTANTS

Command the cabin without lifting a finger

t.idal 2.0

Scalable electrical architecture with 5G capabilities & advanced Qualcomm chipset

IN-BUILT NAVIGATION WITH Mappls Auto¹¹

Built-in maps that guide you, even offline

DUAL ZONE FULLY AUTOMATIC TEMPERATURE CONTROL

Your side cool, their side warm, everybody wins.
